2019 Spring IPM Seminar

This is your invitation to join us for our annual spring pest management training—a full day of pesticide applicator continuing education from experts at Texas A&M AgriLife Extension Service and our community. It's the best pesticide training available in north Texas.

You will receive the latest updates on pesticide laws, pest biology and identification, and pest management strategies. As always, participants are eligible to receive continuing education unit credits (CEUs) whether your license is from Texas Department of Agriculture or the TDA's Texas Structural Pest Control Service.

Directions: From Central Expressway, take Arapaho Rd (Exit 25) in Richardson. Go west 1/4 mile to Richardson Public Library entrance, or to Civic Center Dr. Follow signs to Civic Center adjacent to Library. Free parking available on east, south and west sides of Civic Center.

Registration

Payment options:
checks, money order,
credit cards, or receive
an invoice (Purchase
Order required)

Tuesday, February 26
Richardson Civic Center

Register online!
